
THE DIONYSIAN ORDER

A secret society

The Concept

Rock N' Roll, Fine Wines, Rituals

The new society is an immersive experience created by Vincent Walter Jacob and Fanny Hill, musicians from the Alternative Rock band Yard Of Blondes. Inspired by old time secret societies and modern private clubs, the Dionysian order was created to provide something a little more in depth in terms of music, culture and philosophy for people that lean towards this aesthetic. Jacob and Hill curate the music at every event, which includes music featuring a variety of artists, from The Cure to Sonic Youth. The two French natives bring together their passion for fine wines, soul seeking knowledge and rock n'roll.

Dionysian Mysteries

The **Dionysian Mysteries** were a ritual of ancient Greece and Rome which sometimes used intoxicants and other trance-inducing techniques (like dance and music) to remove inhibitions and social constraints, liberating the individual to return to a natural state.

We want to revive those Mysteries in a modern and fun way. Are you ready to unveil the secrets?
